Recycling Poster Contest Judging

The entire meeting was devoted to choosing regional winners by grade from all the local winners submitted. Entries were received from 1,454 students in nine municipalities. All Task Force members participated in choosing the regional winners, each with an equal vote. Some of the criteria used to make the difficult choices among really great posters were clarity of the recycling message, showing how recycling helps protect the earth, artistic expression, and reproducibility in the newspaper. In grades 4, 6 and 8 there were so many good posters from which to choose that the Task Force members chose some of the best for honorable mention. The list of winners by grade and their municipality is attached to these minutes.

Regional winners should not be notified until after 10:45 a.m. on Friday, March 14, 2008 when their names will be announced publicly for the first time at the regular HRRRA Meeting at Brookfield Town Hall.

Without objection, the meeting was adjourned at 11:45 a.m. so Task Force members could go to the HRRRA office and pick up piggy banks and ribbons for distribution to local winners and participants.
